Klarna Express Button -- Stick to their brand colors for recognition.

Will need to check if we need to include their "Pay in 4" messaging above the button in the mini cart. This will cause the mini cart to stretch more.

We currently have 47px of spacing between each button of our stack. Do we wish to continue this pattern?

For brand recognition, please use the colors and SVGs from Klarna. I think we're safe to use our fonts for the plain text.
